2024 Preferred Health Plan Administrator by State

Depending on your state of residence, UnitedHealthcare or Cigna may have negotiated greater discounts on average with its network providers. If the discount differential is expected to be greater than 3%, the vendor with the better discounts is designated the state's "preferred provider" and selecting that vendor typically reduces your out-of-pocket expenses for in-network medical services. If the expected discount differential is less than 3%, there is no preferred vendor.
